SUBMISSION OF SUPPLEMENTAL DECLARATION

Sir:

Applicants submit herein a Supplemental Declaration under 37 C.F.R. § 1.67(a)(2), to clarify the claim for priority. The Inventor Declaration filed with the instant application on February 22, 2005, claimed priority to the international PCT application PCT/JP03/10526 under 35 U.S.C. § 120 when, in fact, the application was filed under 35 U.S.C. § 371 as a national stage application. The enclosed Supplemental Declaration corrects the claim for priority.

Applicants respectfully assert that no fee is due in connection with the filing of this response. However, if there are any fees due in connection with the filing of this response, please charge those fees to Deposit Account No. 50-0573.

Respectfully submitted,

DRINKER, BIDDLE & REATH LLP
